Tutoring Experience

In my 12 years as a tutor, I've supported students from the UK and abroad, guiding them through rigorous entrance exams like the LNAT and providing detailed feedback on their personal statements. My goal is to prepare students thoroughly for the unique challenges of these exams, helping them stand out.

Beyond admissions, I have extensive experience tutoring A-Level and IGCSE English, where I help students refine their essay writing skills and deepen their understanding of literary analysis. This work has been rewarding, especially as many of my students have gone on to excel at top-tier universities in the UK and internationally.
